

Campus Placements | Batch 2022-24

National and global companies from various sectors, including but not limited to infrastructure development, EPC firms, consulting, real estate, transport and logistics, oil & gas, power, asset management, finance, and auditing, actively participate in our campus placements every year for both summer and final recruitment.

Our industry-ready curriculum, strong industry linkages, and the strategic advantage of being part of the Adani Group enable our students to secure excellent placements. We are pleased that the industry has been highly receptive to our Campus Recruitment Program, with over 60 national and global companies participating annually.

As a result, the institute has maintained an exceptional placement record since its inception, with the highest package reaching INR 15 LPA and an average package of INR 7.5 LPA.

Our students have been placed in highly rewarding roles across consultancy, business development, audit and analysis, HR functions, project management, project execution, research, finance and risk management, as well as compliance and regulatory domains.

In the 2024 Campus Recruitment Program (Summer and Final Placements), more than 55 national and global recruiters have participated, including Adani Solar, Adani Airports, Adani Enterprises, Adani Natural Resources, Adani Wilmar, Adani Realty, KPMG, EY, PwC, Knight Frank, Multiverse Exim, LCC Projects, Grace Renewable, MYK Laticrete, Anarock, CBRE, Turner Townsend, MKC Infrastructure, Tata Consultancy Services, IRM ENERGY and Cadila Pharmaceuticals.

The recruitments of Batch 2023-25 are on-going. We extend our best wishes to the graduating class for continuing success in their careers.
